

## High School Athletic Participation Fee

To best support our high school programs and student athletes, beginning in 2010-11, the Bellevue Public School Board approved an Athletic Sports Participation Fee. This is consistent with other schools in the region. The policy will include but is not restricted to the following items:

- All Participation Fees must be collected when the “Athletic Registration and Physical Form” is turned in.
- The fee does not guarantee a spot on an athletic team, playing time or a letter award.
- All fees will be collected at the school through the accountant.
- All fees will be collected at the building where the fees were collected and earmarked to support the athletic program costs such as faculty support, facilities, and the cost of the athletic department.

### Scholarships

- Parents/ Guardians who are unable to afford participation fees should contact their school counselor, administrator, coach or athletic director at their school and complete the Athletic Fee Waiver Request Form. Students from low-income families may qualify for a fee reduction.
- These forms will be reviewed by building administrators.

### ASB Fees

- ASB cards are required for athletic participation. Athletic transportation fees may be included in the cost of an ASB card.
- The fee will be collected on a per sport per season basis. This fee does not waive the requirement for participating students to purchase ASB cards.

### Fee for Single Student and Family
