

# Guiding Principles

## ■ **Excellence: Exemplary Education**

All staff and community are focused on student academic success, personal development and citizenship.

## ■ **Equity and Access for ALL**

We will provide all students access to and support for what they need to achieve excellence.

## ■ **Accountability**

We will use multiple, reliable measures to monitor and adjust instructional, managerial and operational decisions to hold stakeholders accountable for meeting the needs of all students.

## ■ **Collaboration & Communication**

We will respect and engage all stakeholders by working collaboratively and communicating in an open and transparent manner to continually ensure student success.

## ■ **Quality Teaching and Learning**

We will recruit, develop and retain the highest quality teaching professionals. We will engage all staff in continuous and collaborative professional development.

## ■ **Innovation and Continuous Improvement**

We will create and maintain a culture where learning and innovation are expected, supported and valued.

## ■ **Diversity**

We will recognize, respect and embrace the diversity in our classrooms, schools and community.

## ■ **Resource Stewardship**

We will be effective and efficient stewards, accountable for all resources to support student learning.
