

# Stevenson Elementary Supply List 2010-2011

Every Stevenson student will be supplied with the instructional materials (e.g. textbooks, workbooks, paper, pencils, etc.) necessary for their academic success. We recognize children often like to bring their own supplies to supplement what we provide at school. The following lists are suggested supplies your child may elect to bring to school for him or herself. **Students are not required to bring any supplies.** Your contributions promote all children's academic success by allowing us to stretch our school resources further. Thank you in advance for sending any or all of these suggested supplies to school.

## Label these items with name
